AC, DC & Step Motors	CE																CE	CE															
Barcode Scanners		CE																															
Bimetals								CE			CE																						
Blowers & Fans	CE													CE			CE																
Cable Assembly												CE				CE				CE		CE									CE		
Cabel Glands																								CE									
Cable and Wires																CE																	
Capacitores							CE								CE									CE									
CMOS Sensors																																	
Connectors			CE			CE	CE		CE	CE						CE							CE							CE			
Cooling Modules														CE																			
EMC Products			CE								CE	CE																					
Fuses & Fuse Holders			CE								CE																						
Heat Shrink Tubing	CE															CE																	
Heaters & Boilers				CE																													
Inductors											CE				CE																		
Inlets/Outlets, Filters			CE								CE																						
Insulating Sleeveings	CE															CE																	
Lables	CE															CE																	
Metal Clad PCB																																	
Mil. Spec. Cables																CE																	
Mosfet Drivers																																	
Power Cords											CE										CE						CE	CE	CE	CE			
Precision Resistors				CE																													
Printers & Software	CE															CE																	
Sensors Cables						CE							CE																CE				
Special Tapes																																	
Spiralled Special Cables													CE																				
Switches & Rotary Code Switches			CE									CE				CE			CE							CE	CE		CE				
Terminal Blocks & PCB Con-nectors							CE		CE															CE									
Thermal Interface Materials
